Dog Registration

Before you start – you'll need

- All information for puppy registration, including new owners details if you are transferring the puppies at the time of registering.
- If you are transferring puppies with endorsements you will need proof that the new owner accepts these endorsements. ***This needs to be a pdf no bigger than 4 megs. You will be asked to upload this at the end of the transfer process for each puppy that requires it***
- A Visa/Mastercard credit or debit card or your internet banking details.

Please note if you do not proceed to payment your registrations will not be processed. Completion of payment submits your registrations for processing.

Dual M

Notes

- Preferred and alternate name must exclude the kennel name.
- Full name including Kennel name must not exceed 25 letters and up to 30 spaces
- Second kennel name is optional but must be a suffix
- A linking pronoun can optionally be used between dog name and second kennel name
- If a second kennel name is used the first kennel name must be a prefix
- The first word of dogs preferred name can only be used twice in each litter

Deceased Puppies

If you have lost puppies since notifying of a litter, then you must notify us of the deceased puppy. To do this click on the word 'here' on registration screen.

Litter information shows here including how many dogs there are to register.

The number of registrations will show depending on how many puppies you have in your litter.

Transfer

If you are transferring the dog to another person or yourself and another or sending overseas, you must complete the transfer section.

Tick Certified Export Pedigree if you are exporting the puppy, in the address add the overseas address that the export is going to

Tick Transferring to Breeder and other Party – if you are registering the dog in joint ownership with yourself and another or others. You will need to upload a pdf that consists of acknowledgement of the new owner that they understand the dog will be in joint ownership with breeder).

The screenshot shows a web form titled "Transfer" with the following fields and options:

- Certified Export Pedigree**: Required if transferring to an overseas address
- Transferring to Breeder and other Party**: [Upload Consent](#) of other owner(s)
- New owner 1 Dogs NZ Membership No**: [Text input]
- New owner 1 firstname and surname**: [Redacted text input]
- New owner 1 address**:
 - Line 1: Number and Street [Redacted]
 - Line 2: Suburb [Redacted]
 - Line 3: Town or City [Redacted]
- New owner 1 post code**: [Text input]
- New owner 1 email address**: [Redacted text input]
- New owner 1 phone number**: [Redacted text input]
- Upload owners consent if dog has endorsements**: [Upload Endorsement Consent](#)
- At the bottom, there are links: [New Owner 2](#), [New Owner 3](#), [New Owner 4](#), [New Owner 5](#), and [New Owner 6](#). Three red arrows point to the first three links.

If you are transferring the puppy to someone else, add their membership if they are a member, if not ignore that field.

Add owner name and address – if more than one new owner, add the details in new owner 2, 3 etc.

You can click to add previous address and email etc so you don't need to fill these details in several times.

Once you have completed this, click save. You can now do another registration in that litter or, **click pay, which will appear once a puppy has been saved.** So you can do all the litter at once or just one or two at a time.

Click the pay online button, (above the registrations in red) you will navigate to the next page for payment.

NOTE: You must make a payment online otherwise the registrations will not download to the office for importation to the registry.
