

# NDTA 2009 Agility Ringside Tent Booking Form

Please make initial enquiry by email to Roy Thorndycraft at roygbiv@xtra.co.nz You will then be issued with an enquiry number. On receipt of your enquiry number please forward your payment and this completed form. If your payment and form is not received within 14 days of your enquiry number being issued your booking may be cancelled.

**Please Note: If you intend sleeping overnight in your ringside tent, camping charges apply in addition to the day tent charge.** There will be toilets near the agility rings but no showers. Showers will be located in the camping area.

Day Tent charges are for the entire NDTA weekend. Tent sites will be available for setup from 2pm on Thursday.

Tent + Parking spaces are for a 5m x 5m ringside tent site plus two single-length carpark spaces behind your tent. The entire tent including guy ropes and awnings etc must fit within the 5m x 5m area.

Day Tent Only spaces are for a 4m wide x 5m long ringside day tent only site. The entire tent including guy ropes and awnings etc must fit within the 4m x 5m area.

If you want to be allocated tent sites alongside friends we suggest you all book together on the same form (all payments must be sent with the form). Tent + Parking sites are in separate areas from Tent Only sites so cannot be booked together.
